ELIGIBILITY

Admission is open to graduates who are interested in accounting, taxation, and compliance. The programmes are also suitable for working professionals seeking to strengthen their practical knowledge.

MODE OF STUDY

The programme is delivered through full-time practical training, ensuring active participation and real-world exposure. Special batches for working professionals are also arranged with flexible schedules.

COACHING

The training emphasises personalised oral coaching to strengthen practical understanding and enhance professional competence across all subject areas.

FACULTY

Our faculty includes Chartered Accountants, Company Secretaries, Advocates, academicians, and experienced industry professionals, combining strong academic expertise with practical industry experience.

REGISTRATION

Registration is conducted on a first-come, first-served basis. As the programme emphasises practical and hands-on training, the number of seats available in each batch is limited.

CERTIFICATION

Participants who successfully complete the programme will receive a Course Certificate recognising their practical training and professional competencies.

CAREER GUIDANCE

The institution provides career guidance and professional support during the training programme; however, completion of the course does not guarantee employment or placement.
